# OUR VISION

To create partnerships within our service area communities by providing healthcare access points through developing a team of administrative and medical professionals, offering an exceptional patient experience.

## OUR MISSION

To provide quality primary and preventative healthcare services while offering an exceptional customer experience at an affordable cost, throughout the Black Belt Region.

## OUR HISTORY

Rural Health Medical Program, Inc. (RHMPI) was established in October 1977 to provide comprehensive, quality, primary and preventive health care services in the Black Belt Region of Alabama.

As the name implies, RHMPI began in the rural environment and has grown to serve patients from both urban and rural communities. The quality and value of our services attract patients from all economic groups.
